

# Registration Information!

## 2021 RPTA Production-Technical Seminar

### Presented virtually May 4-5, 2021

**RPTA's Production-Technical (P-T) Seminar is an integral part of TappiCon *Virtual*.**

One registration fee provides access to the entire TappiCon Virtual Program with over 50 presentations.

### Registration Information

There are two substantial opportunities to reduce the registration fee. Without the available reductions, the TappiCon *Virtual* registration would be \$350.

#### 1- TAPPI Group Discount

Before registering individually, check with your management to determine if your mill or company is organizing registrations to obtain TAPPI's group discount. The discount can reduce the registration fee for each attendee by **as much as \$100** for TappiCon *Virtual*.

Companies can organize at either the mill or corporate level to take advantage of this registration discount.

Group discounts apply to TappiCon *Virtual*, TappiCon *Live* or both. And discounts are available for as few as five attendees.

Details and instructions regarding TAPPI's group discount are available [here](#). The group registration form, which must be submitted under the name of a TAPPI member, is available [here](#).

In the event your mill or company is not organizing a group discount, click [here](#) to register as an individual.

#### 2- RPTA Scholarship

In line with RPTA's mission to advance educational opportunities for our members, RPTA will provide a Scholarship of **\$100 per attendee**, for up to 20 attendees per member company.

After TappiCon *Virtual*, simply send your proof of registration payment to Jackie Howe at [JHowe@rpta.org](mailto:JHowe@rpta.org). Jackie will bundle the proof-of-payments from attendees on a monthly basis and send Scholarship payments directly to your company.

#### 2020 Refund

Did you pay registration fees for the 2020 P-T Seminar expecting it to roll over to 2021? TAPPI cancelled the rollover due to the complications associated with splitting TappiCon 2021 into two events.

TAPPI will refund automatically, communicating directly with you by email.

RPTA will not hold any P-T Seminar sessions at TappiCon *Live* in October.

RPTA's Operating Board decided that members will benefit more from our *free* annual Fall Roundtable, which includes a mill tour.

We plan to hold the annual Fall Roundtable in the greater Atlanta Area, on dates selected so Roundtable participants may also attend *TappiCon Live*, if desired. The Roundtable will likely be the afternoon of October 6 with the tour the morning of October 7; however, plans are not yet firm.

Keep up with TappiCon *Live* developments at [TAPPICon 2021](#)
